NOTES ON MEDICAL EXAMINATIONS

1. A licence holder is advised to arrange for the renewal of his/her licence approximately 21 days prior to expiry.
2. Holders of licences shall not exercise the privileges of their licences and related ratings at any time when they are aware of any decrease in their medical fitness which might render them unable to safely and properly exercise these privileges.
3. Licence holders are to inform the Authority of confirmed pregnancy or any decrease in medical fitness of a duration of more than 20 days or which requires continued treatment with prescribed medication or which has required hospital treatment.
4. If your licence expires while you are in an area distant from a Nigerian Civil Aviation Authority (NCAA) Authorised Aviation Medical Examiner (AAME) you may apply to the NCAA for the deferment of your medical examination. In exceptional circumstances the NCAA will consider such requests. However you will be required to be medically examined by a qualified and licenced medical doctor acceptable to the NCAA in that area. Requests for a deferment should be made to the NCAA in writing stating the reason(s) for the request.

5. The medical certificate must be signed by the holder. (see item xiv)
