

NON-DISCLOSURE AND NON-COMPETE AGREEMENT (NDNCA)

I, _____ (“Team Member”), hereby agree that as a participant in a project under Code Icon Technologies, I will keep all project information strictly confidential and will not disclose, share, or use any ideas, designs, documents, code, methods, or internal project details for any purpose outside the project.

2. I further agree that during the project and for **three (3) years** after it ends, I will not create, design, or assist in building any product or system that copies, replicates, or is similar to the project I worked on for the Company, nor will I use any knowledge gained from the project for personal benefit or for any competing organization.

3. I acknowledge that all work, ideas, and materials produced for the project are the exclusive property of Code Icon Technologies, and I will return or delete all company materials when the project ends.

4. I understand and accept that any violation of these terms will subject me to applicable legal action under the law.
